

Healing after the Trauma of Abortion

Aaron Sironi

2014 CCEF National Conference

- 1) Introduction: abortion as a loss

- 2) Three essentials to healing
 - a. Remembering and making memories available

 - b. Facing the reality of what we've done

 - c. Confessing to others

- 3) Grief is complicated by guilt ("I brought this loss on")

- 4) God's promise to "make all things new," the comfort of his sovereignty

- 5) John Newton as an example of "I am making all things new"
