

PRAY FOR US

Our Father, you are worthy of our praise and gratitude. You made us, and you sustain us. Thank you, Lord Jesus, for coming in person to save us from ourselves. Thank you for meeting us in our woes and wanderings. Thank you for walking with us. You have been faithful; you are faithful; you will be faithful.

Thank you for working in and through CCEF over the past 50 years. Thank you for the vision and mission of those who planted the seeds of biblical counseling. Thank you for the privilege of being part of that mission today. Thank you, Father, for your steadfast love. Thank you, Lord Jesus, for allowing us to know you and represent you here on earth. Thank you, Holy Spirit, for your persistence, patience, and power.

Thank you, God, for the life-saving and life-rearranging truth of your Scripture.

Reorient our hearts to you. Help us to evaluate all things as they truly are. Lead hurting people to place their fundamental confidence in Christ's mercies. Help those who care and counsel to be decidedly and distinctively Christian. Continue the good work you have begun in us. Continue the good work you have begun in our churches. Continue the good work you have begun at CCEF. Please continue to shape ministries of biblical counseling everywhere. Thank you for your sustaining grace.

We pray these things in Jesus' name. Amen.
